Financial Oversight and Management Board for Puerto Rico

MEDIA RELEASE

Oversight Board Reaches Agreement with Bond Insurers over PREPA Restructuring *Syncora and National to Support Restructuring Agreement, Increases Certainty of PREPA's Transformation*

San Juan, PR – September 9, 2019 – The Financial Oversight and Management Board for Puerto Rico today announced that, together with the Puerto Rico Fiscal Agency and Financial Advisory Authority (FAFAA) and the Puerto Rico Electric Power Authority (PREPA), it reached an agreement with bond insurers Syncora Guarantee Inc. and National Public Finance Guarantee Corp. to join the Definitive Restructuring Support Agreement (RSA) with certain PREPA bondholders and Assured Guaranty Corp. reached earlier this year.

The addition of Syncora and National to the RSA provides significant certainty to the restructuring not only of PREPA's bonds, but to the transformation of PREPA to a modern, efficient power utility able to deliver clean, reliable and affordable energy to the people and businesses of Puerto Rico. The agreement with the bond insurers does not change the economic terms of the RSA. The RSA has now been joined by holders of approximately 90% of uninsured bonds and all PREPA bond insurers.
